

Questions to Ask Your Dentist

Are you thinking about getting dentures, but not sure what to consider?
Here are some questions you may feel comfortable discussing with your dentist.

Are there different types of dentures? If so, what kinds are there? How do I know what kind I need?

Notes:

Are there any advantages if I keep some of my teeth?

Notes:

What will dentures feel like?

Notes:

Will I be able to eat and drink the same foods and beverages I enjoy now?

Notes:

Will foods and drinks taste differently?

Notes:

Are there any foods I should avoid to prevent damaging my dentures?

Notes:

Will I look different with dentures?

Notes:

Will dentures hurt?

Notes:

Will dentures affect my speech?

Notes:

How long should I wear my dentures each day?

Notes:

Are dentures easily breakable?

Notes:

How much do dentures cost?

Notes:
